THE BEAUTY OF THE MORNING; SILENT, BARE

Many of our students from Liz's classes have achieved CLAS (Calligraphy and Lettering Arts Society) awards since last summer, which is a cause of celebration after all their hard work.

Several learners recently entered pieces of calligraphy into the annual CLAS exhibition and two received awards within the improvers class. Congratulations to both Mary and Lesley for this amazing achievement.

Our tutor herself, has recently been awarded Fellowship of CLAS. Congratulations Liz!
