Tutor Details

Miller and Ward is a small fine home fragrance business, based in Cambridge and Norfolk owned by cousins **Julie Miller** and **Carole Matthews**.

With a passion for home fragrance and bemoaning the fact that we were spending a small fortune on luxury candles, we decided to make our own premium candles. With a great deal of enthusiasm and a lot of trials, tribulations, cake and wine, we were finally ready to launch our business in 2020.

As well as a signature collection of [luxury candles](#) and [diffusers](#) we have added a whole new natural skincare range, making full use of Carole's background as an Aromatherapist!

Crafted with carefully selected botanical ingredients and free from harsh chemicals, our skincare collection embodies our commitment to both effectiveness and affordability. Each product is thoughtfully formulated to nourish, restore and protect your skin. Our natural skincare collection represents the next chapter in our journey, blending time-tested natural ingredients with modern skincare science to create products you can feel good about using every day.
